

GAJULA SINDHUJA

Assistant professor
MRIM

Profile

Welcome to the course! I'm here to guide you, help you grow, and challenge you to think critically about the world of management. My goal is not just to teach you facts, but to inspire you to apply these ideas in the real world. I encourage you to ask questions, engage with the material, and take this opportunity to build your skills, knowledge, and confidence. Together,
