

Malla Reddy Institute of Management

Entrepreneurial Cell (GANNET)

10th Feb 2018

A report on the Inauguration of E-Week Program, as per the program schedule all the students were assembled in the seminar hall and the program started with Dr. P. Srinivasa Sastry (Principal) addressed to the gathering on the importance of NEN and E-Cell (Gannet) in our college. E-Cell activities and how students got benefits from this E-Cell.

As per the schedule of E-Week Dr. Srinivasa Sastry (Principal) took the pledge of the E-week and suggested all the members of the E-cell to work and learn by the activities which are conducted in the E-Week.

After inauguration Principal awarded the students with their NEN 100 course certificates who have passed in that course. After the distribution of the certificates there was the movie (Jobs) screening & discussion among the students to motivate the students towards Entrepreneurship.

Photographs of the program have been attached for your ready reference
