

SEMINAR

A seminar on awareness of **French Education** by Vasudha Muralikrishna, Manager “Campus France”, at Hyderabad on Jan.30th,2019.at **MRIM**.

The session started by addressing the students about the opportunities that they can get by studying in French countries.

She also gave detailed information about the part time job opportunities that they are providing in the French countries.Also explained about the French companies like Decathlon, Saint-Gobain and many other companies are looking forward for students from countries like India to participate in the working environment

She also explained that the universities are providing scholarships ranging from 500-to-50000000 based on merit scored in ILETS

They conducted a special awareness program on 05-02-2019 at TAJ VIVANTA at Begumpet.
