Write up on “INTELLECTUAL WAY OF LEARNING MANAGEMENT SCIENCE”

Seminar was conducted by Dr Lakshmi on 4/09/2019 from 10:30 am the session was quite good where she stressed on many points like decision making , inquiry, critical thinking , inquisitiveness which means writing skills , presentation skill mathematical knowledge where tools and softwares of probability and statistics .Brain storming session on programmed decision making and non programmed decision making she even explained risk uncertainty and ambiguity. The seven steps to effective decision making

- Identify the decision
- Gather information
- Identify alternatives
- Weight the evidence
- Choose among the alternatives
- Take action
- Review your decision

She even concentrated on indecision and delays are the parents of failures

10 entrepreneurs from Young entrepreneur council (YEC) share their secrets for overcoming indecision in their business

- Acknowledge the outcome of indecision
- Flip a coin
- Use the 40-70 rule
- Clear cut idea
- Establish deadline
- Phone a friend for clarification
- Exercise
- Trust your first instinct
- Limit the decision
