WRITE UP FOR AWARENESS PROGRAM ON TALLY BY LASYA ACADEMY

With the seminar held in January at our college about the awareness about the importance of Tally.

The resource person Srinivas had explained about the need and importance of the Tally. With the interested showed by the students they had conducted an entrance exam for the students and selected the students for the regional level competition. Our student Karthik had qualified and stood first place at the regional level.

The academy through our principal Dr. P. Srinivasa Sastry handover the certificate to the winner and also to the participants in the college. During the certificate distribution he also addressed the students by delivering the importance of certification courses and also encouraged the students to do the certification courses which add value to the career. The institution persons also took active part for the distribution of certificates.
