

## **Malla Reddy Institute of Management (NSS Wing)**

A report on the program conducted on 22<sup>nd</sup> March 2017

### **“Jala – Jatara (Jana Jatara)”**

As per the program schedule all the students were assembled in the seminar hall and the students program started with Dr. P. Srinivasa Sastry (Principal) addressed to the gathering on the importance of drinking water, ground water & Future aspects of water availability for the future generation and made all the faculties & students to take ‘Pledge’ on Save Water.

After pledge faculties of MRIM has spoke on how to preserve water and get more ground water. NSS student volunteers came forward and given their experience about the non-availability of ground water at their home towns & Problems raised from it.

Photographs of the program have been attached for your ready reference.
