

**Are you ready to be a leader with the vision to enable and empowers others to make an impact in the world?
Intern as a Campus Leader with Miles Education ...**

Miles Education is recruiting young and energetic Interns to work as Campus Leaders across India. The Campus Leaders will help Miles further its mission to **upskill students across the country to be industry-ready**. The Campus Leaders will also get an opportunity to work on CareerGraph.com, which is Miles' initiative to integrate "experience" with "learning".

The Campus Leaders will lead Miles' upskilling partnerships at various universities and colleges across India. The Campus Leaders will be deputed to a particular university/college campus where they will primarily be responsible for **counselling and mentoring students who are just stepping from school into university** (i.e., joining for the 1st year of a Bachelor's program). The counsellings will be face-to-face as well as telephonic.

The Campus Leaders will be aligned with MILES' values:

- **Make an Impact**
- **Integrity**
- **Leadership**
- **Excellence**
- **Service**

Education Background: Pursuing MBA

About Miles Education:

Miles Education upskills students and professionals across the world to help them be future-ready and enable their career progression. Miles Education is a pioneer in US CPA (Certified Public Accountant), CMA (Certified Management Accountant) and Business Analyst training in India. Miles has operations across 10 cities in India, www.MilesEducation.com

About CareerGraph:

CareerGraph is an initiative by Miles Education to bridge the gap between the academia and the industry by integrating "experience" with "learning". CareerGraph enables university students to work on real-time online "projects" and "pre-internships" from the industry which leads to internships and campus placements. www.CareerGraph.com
