

Greetings from Wipro Consumer Care & Lightings !

Founded in 1945, Wipro Consumer Care & Lighting is one of the fastest growing FMCG companies in India. Wipro consumer care has a diverse portfolio of products and operate both in B2C and B2B space. Leading brands in India in personal and home care category are Santoor, Chandrika, Glucovita, Wipro Safewash and Wipro Garnet. In the B2B space we are a leading player in Institutional lighting, office furniture and modular switches. Wipro lighting and furniture product have won numerous international awards for design.

We are looking for HR Trainees who will work along with the HR team on live on-going projects in our manufacturing set up . This role will require the trainee to be involved in the end to end HR processes like Payroll management, MIS, documentation , admin and coordinating for CSR activities at the plant location. This will be a 1 year trainee program

May please share the details of the students who are interested in the attached format. Also confirm the date for the drive
