Ref: Invitation from NSS Office – Osmania University.

Malla Reddy Institute of Management NSS volunteers responding to the invitation over telephone from NSS office, Osmania University, attended the seminar organized by ‘Yashoda Hospital’ and “Jeevandan” organizations at Shilpakala Vedika on 13th September 2014.

On this occasion specialists from “Yashoda” hospital emphasized the significance of donation of organs and conditions under which these can be donated. Volunteers of “Jeevandan” eye opened the audience by explaining predicaments of the people who are in need.

Chief guest Nagarjuna, a legendary film actor, eminent director “Shekar Kammula”, upcoming tennis player “Sindhu” graced the occasion.

Students of the institute also promised to donate their organs. They commented that this seminar cleared all the myth they have about the organ donation. Carrying the inspiration they said that they are going to stretch the information to common public, near and dear.

Malla Reddy Institute earlier conducted such programs under NSS flag with the co operation of “Mohan Foundation” for two years and many students of those batches and faculty promised to donate the organs.
